For his merciful kindness is great toward us, and the truth of the Lord endures forever.

PRESCHOOL PARKING LOTS

Just a reminder to please be careful and slow down in our parking lots. We almost had an accident in the parking lot the other morning because someone was driving too fast and going the wrong way in the parking lot. Please remind people picking up your children for you the rules of the drive through.

BIKE RIDE FOR MULTIPLE SCLEROSIS

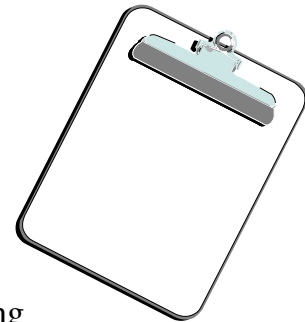

Marie
Fry,
mother of
Monica
and

Steven, has been preparing to ride 150 miles on her bike to raise money for Multiple Sclerosis. If you would like to make a donation you can give Marie a check (made to the M. S. Society) or go online to <http://ms150.org/edon.cfm?id=175-744>. Marie has been training hard for this event. She asks everyone to pray for the safety, health and success of all the riders and support crew!
